FALL 2022

Pat Rossi

Name _____

Instructions. In exercises 1 - 4, let p be the statement: “The sun will shine,” and let q be the statement: “Spot will wag his tail.” Write each statement in symbolic form.

1. $\underbrace{\text{The sun will shine}}_p \text{ or } \underbrace{\text{spot will wag his tail}}_q$

Answer: $p \vee q$

2. $\underbrace{\text{The sun will shine}}_p \text{ and } \underbrace{\text{spot will not wag his tail}}_{\sim q}$

Answer: $p \wedge (\sim q)$

3. $\underbrace{\text{Spot will wag his tail}}_q \text{ but } \underbrace{\text{the sun will not shine}}_{\sim p}$

Answer: $q \wedge (\sim p)$

4. $\underbrace{\text{The sun will not shine}}_{\sim p} \text{ or } \underbrace{\text{Spot will not wag his tail}}_{\sim q}$

Answer: $(\sim p) \vee (\sim q)$

In exercises 5 - 8, let p be the statement: “Dick and Jane caught some fish,” and let q be the statement: “They will tell a whopper of a fish story.” Write each statement in words.

6. $\underbrace{\text{Dick and Jane caught some fish}}_p \text{ and } \underbrace{\text{they will tell a whopper of a fish story}}_q$

7. $\underbrace{\text{Dick and Jane caught some fish}}_p \text{ and } \underbrace{\text{they will not tell a whopper of a fish story}}_{\sim q}$

8. $\sim p \vee \sim q$ $\underbrace{\text{Dick and Jane did not catch any fish}}_{\sim p} \text{ or } \underbrace{\text{they will not tell a whopper of a fish story}}_{\sim q}$
